

# Community Rebate Program

*Supporting Your Community!*

TNT's Community Rebate Program is a great way for community organizations to raise funds for 'Green Initiatives'.

## Program Guidelines:

- TNT issues Community Rebate Program cards for your organization.
- Card holders present or mention their card when making a purchase or paying for services rendered, and TNT will contribute 2% of your gross purchase for Green Initiatives to the participating organization.
- TNT tracks all purchases and calculates the appropriate rebate. Cheques are sent quarterly to each participating organization that has reached a minimum rebate of \$50.00
- All purchases are eligible. Payments can be in the form of: cash, cheque, Visa, MC or AMEX. Debit is available at the Supply Yard only.

## Questions & Answers

Q. *How much does it cost?*

A. There are no costs to your organization. TNT pays for the cards and all administrative costs.

Q. *Are only members of the organization allowed using the program, or can friends and families use it?*

A. Anyone who wants to use the Program is welcome to do so. The most frequent users will be members of your organization, but their friends, family members and other supporters of your group are also welcome to use the card and support your organization.

Q. *Can we order more cards?*

A. Absolutely, though we encourage you to order a small number of additional cards in your initial request for contingency (please keep this number small). It is very easy to re-order cards at anytime; email us at [experience@tntpropertymaintenance.com](mailto:experience@tntpropertymaintenance.com) and include your organization name and the number of cards you require.

Q. *Where can we use our cards?*

A. Card holders will be able to use their Community Rebate cards at TNT's Supply Yard @ 40 Spring Valley Drive or when making payment for services rendered.

Q. *How often do you send us our rebate payment?*

A. Every 3 months when the rebate total earned equals or exceeds \$50. If you do not reach the \$50 minimum within 3 months, your rebate continues to grow until you do.

Q. *Will you include a statement so we can confirm we are getting the correct payment?*

A. Yes, the statement included with each rebate cheque provides a transaction history showing the invoice and gross amount (before taxes) that have been paid within that 3 month period.

Q. *What if there are additional questions?*

A. If any card holder needs more information, or if they encounter problems using the card, please forward the questions to [linda@tntpropertymaintenance.com](mailto:linda@tntpropertymaintenance.com) via your organization's administrator.

Q. *How do we apply?*

A. Email [linda@tntpropertymaintenance.com](mailto:linda@tntpropertymaintenance.com) to obtain an application package.
